

Le Mystère n°9

Fitting Instructions

Le Mystère No.9's rounder, deeper and more forward shaped cup fits the spherical surface of the augmented breast.

Le Mystère No.9 is designed with a wider center connector to allow the underwire to anchor properly on the breastbone.

Le Mystère No.9's underwire follows the perimeter of the circular breast implant.

Important Note -

Many women are a different size in Le Mystère No.9 than in a conventional bra. Due to specially designed changes in cup depth and shape, wire shape and distance between the cups, Le Mystère No.9 fits the enhanced shape differently than conventional bras.

Measuring instructions:

For the most accurate measurements, remove upper garments, but keep bra on.

BAND SIZE:

With tape measure around upper torso, above the bust and under the arms, take a snug measurement. Make sure the tape is straight and flat across the back and parallel to the floor. Pull the tape snug. Round the measurement to the nearest even number either up or down. Enter this number in the space marked "A" below.

Example: Tape measurement is 30 3/4", band size is 30
Tape measurement is 35 1/4", band size is 36

CUP SIZE:

Standing with arms at sides, measure at the fullest part of the bust with the tape parallel to the floor. Do not pull the tape snug, rather pull the tape just gently enough to keep it in place. Round up or down to the nearest full inch. Enter this number in the space marked "B" below.

To determine cup size, subtract A from B.

Bust measurement _____ (B)

Band (above bust) measurement — _____ (A)

Difference in inches will determine cup size: = _____

3" indicates C cup • 4" indicates D cup • 5" indicates E cup • 6" indicates F cup

Example: 38" Bust measurement
- 34" Band measurement
= 4" Inches for cup

4" indicates D cup Final bra size - 34D

Le Mystère No.9 is a collection of innovative, designer bras incorporating patented technology to compliment the unique changes in shape and size that occur after a breast augmentation.

Le Mystère No.9 is available in sizes 30-36 C, D, E, F.
